Letter of approval

As the Professor of Legal philosophy,

I would like to provide

this letter of approval for Professor Olga Nickole Kuyan (Papkova), Doctor of legal science, PhD.

I fully support Prof. Kuyan's project "Mehr Licht! Fathers and Children of Justice Human

Right. See Italy and Die" and can also confirm my ability to be her host professor.

I believe hosting such a researcher will greatly benefit our research community through diversity and exchange of ideas. I have enjoyed and had similar success, hosting other international fellows in the past.

Sincerely,

Prof. Aldo Schiavello
